Proceedings of a meeting of the Managing Committee of H.H. the Maharaja's Sanskrit College Mysore, held in the College premises at 8·30 A M on Tuesday 17th September 1901

Present.

Mr. V. N. Narasimmiengar, President
Mr. A. Mahadevasastri, Secretary
Dharmadhikari Kutti Narasimhasastri.

I Read Government order on Resolution I of the Proceedings of the Managing Committee held on 2nd July 1901.

Resolution :- The students of the Maharaja's Sanskrit College selected for free feeding at the Chattram (Vide statement A annexed) are not fully fed in the Chatram on Ekâdasi, Amâvâsya, Sankramana and such other days, on which only one meal or no meal at all is given to them. They have besides to purchase books,

Stationery and clothing perform Śrâddhâs, pay for lighting and meet several other petty concomitants of student life for which they are otherwise helpless. Under these Circumstances the Committee think it inadvisable to withdraw or reduce the scholarships that have been or may be awarded to them under the existing rules.

II Read Pandit Lakshmîtâtâchârî's petition praying for payment of the expenses of journey to and from Calcutta where he has been asked to receive in person the Keyûra and the prize money which he has earned in the recent Sanskrit Titles examination held by Bengal Educational Department.

Resolution: Considering that the applicant has passed the examination with honours, the Committee resolve to recommend payment of the Railway fare and other incidental expenses in connection with the journey according to rates allowed to him on a former occasion (Vide Government order No 1048-9 Mwz 7 25-92 dated 16th April 1901).

III Read Government order on Resolution II of the Proceedings of the Committee dated 2nd July 1901.

Resolution :- The Committee are of opinion that a thorough study of the Vedanta according to the revised syllabus laid down for the "Sanskrit Titles" examination in the latest notification of the Bengal Education Department, a copy of which has been obtained since the passing of the resolution to which the Government order quoted above relates, requires five years for study (Vide Statement B annexed), a period which far exceeds the 20 months for which the special scholarship of Rs 15 to Pandit Lakshmîtâtâchârya has been awarded by the Committee. On a careful reconsideration of the subject, the Committee recommend that the special Scholarship of 15 Rs, which was originally awarded to him for prosecuting advanced Studies in Tarka at Calcutta after passing the Vidvat Examination of the Maharaja's Sanskrit College in the Same Subject, may also be awarded to him for a year or two for prosecuting the advanced Vedânta

Studies at Calcutta, but only after passing the Vidvat Examination of the Maharaja's Sanskrit College in Vedânta.

IV. Resolved that the changes recommended in Some of the text books in use in the Sanskrit College in Resolation I of the Proceedings of the Committee held on 15th January 1900, be brought into force from the commencement of the College year 1901-1902, begining with October 1901.

Dated 2nd October 1901.
